ENTRER LE POINT D'ANCRAGE

Etape nécessaire si vous avez sélectionné Saisie sur carte (Use map)

The image shows a 'Set Origin' window from a mapping application. The window title is 'Set Origin' and it contains the instruction 'Please search or select on the map'. A search box is visible at the top left. The main area is a map of Europe with various countries and cities labeled. Two instructional overlays are present on the left side of the map:

- 1. Chercher le point d'ancrage** (Find the anchor point)
- 2. Confirmer le point d'ancrage** (Confirm the anchor point)

The second overlay includes a small map showing a zoomed-in view of a location in France (Louannec) with a green dashed circle around a 'Confirm Selection' button. Below this, another overlay says 'Zoom disponible' (Zoom available) and shows a zoomed-in view of the same location with a green dashed circle around a zoom control icon (plus and minus signs). The main map also has a zoom control icon in the bottom right corner. The Google logo is visible in the bottom left corner of the map area.

ENTRER LA PREMIERE DESTINATION

Mode saisie sur carte (Use map)

The image shows a 'Set Location' interface with a map of Europe. A search box at the top left contains the text '1. Chercher la destination'. Below it, a second search box contains '2. Modifier et/ou Confirmer la destination'. An inset window shows a search for 'Cap Horn, Chili' with a map of the location, a distance of 1900km, a bearing of 294°, and a 'CONTINUE' button. The main map shows various European cities and countries, with a yellow pin on the coast of France. The interface includes a search box, a close button (X), and a zoom control (+/-).

destinations

The interface features a topographic map background. At the top left, a panel titled "Les plages du coin - Louanec" includes a price tag for "€ 150*" and an "ADD TO BASKET" button. Below it is a "Locations" panel with an "ADD LOCATION" button. A central panel displays "CAP HORN" with a distance of "13061 km" and a flag icon. To the right, a "3D Model" panel shows a green arrow pointing upwards. At the bottom right, a "Map" panel shows a world map with a yellow dot for "Origin Position" and a green line connecting it to the "CAP HORN" location. The map is labeled with continents: AMÉRIQUE DU NORD, AMÉRIQUE DU SUD, EUROPE, AFRIQUE, ASIE, Océanie, and Océanie.
